MESSAGE FROM MR WILLEY

Elli

Term 3 brought the introduction of the Elli Curriculum to the Bridge. The children have been busy developing skills such as creativity and adapting to different situations. They have produced some tremendous art work to accompany the lessons. When you next visit school, please take a look at the displays in and out of the classroom because they look fantastic!

Many thanks to all those parents who supported them with their home learning and visited school this week, to look at the other models. They were truly amazing. Please take a look at our website to view them in all their glory!

R/Y1 Bridge Challenge cont.....

Thank you to all the parents in Toucan and Parrot class, who came to our Bridges at the Bridge Exhibition on Wednesday morning. It was supposed to be a competition, however Mr Willey just couldn't decide, so you are all winners. The performance was so much fun and the children thoroughly enjoyed it. Lots of the children were so proud to have their mums, dads or grandparents listening to our songs and our story. They loved sharing their learning diaries with their friends and families. All we saw were lots of extremely proud children. Thank you for your support.
